

# Frequency Dividers up to 40 GHz

## TECHNICAL SPECIFICATIONS

- **Frequency Range**  
Up to 40 GHz across input and output paths
- **Division Ratios**  
Selectable division rates from 2 to 128
- **Phase Noise**  
SSB phase noise of -152 dBc/Hz at 100 kHz offset
- **Bandwidth**  
Wideband models available for extended frequency coverage
- **Connectors**  
SMA and 2.92mm options
