Advanced Switch Technology

Waveguide Switches & Coaxial Switches

AT Mirowave

mm-wave components and systems to 350 GHz - Waveguide & Coax Amplifier Multiplier, Mixer, Tx Rx modules, Coupler, Splitter, Phase Shifter, Equalizer, Comb Generators, Desktop Amplifiers, Cable assemblies & Adapters, Attenuators, VNA Frequency Extenders

Deewave

Coax Isolators & Circulators, Drop in & Waveguide Waveguide Components (Bend, Straights, Flexible, Adapter, Loads, Transitions, Gaskets) Coaxial Components (Attenuators, Terminations, Adapters, DC-Blocks, Connectors)

Elmika

Millimeter wave components to 500 GHz (WR22-WR2) Straight, Bends, Twists, Bandpass Filters, Couplers, Attenuators, Tees, Flanges, Loads, Detectors, Generators & Analyzer, Power Meter

Hengda Microwave

Waveguide Components from WR2-WR2300 Antennas, Bends, Straights, Twists, Flexible Waveguide, Loads, Adapters, Couplers, Diplexer, Attenuators, Phase Shifters, Tees, Power Dividers, Rotary Joints, Filters, Shorts, Isolators, Circulators, Shims, Coax Attenuators & Terminations.

Keylink Microwave

Power Amplifier & Rack mount Amplifier to 18 GHz up to 2KW Power, Limiters, Equalizers, LNA's, Power Divider, Mixer, Switches, Frequency Converters, Synthesizers to 42 GHz, Limiting Amplifiers.

Qualwave

Amplifiers to 100 GHz, Attenuators & Terminations to 67 GHz, Cable Assemblies to 110 GHz, Adapter, Connectors, Divider, Coupler, PLDRO's, Filters, Detectors, Phase Shifters, Ferrite, Switches (Pin Diode & Coaxial)

Rosnol

Cable assemblies to 67 GHz, Adapter, Connectors, DC-Blocks, Attenuators, Terminations, Dividers, Accessories

SHX

Attenuators & Terminations to 40 GHz and 10KW Power, Limiter, DC-Blocks, Power Divider, Coupler and Hybrids, Switches, Cable Assemblies, Phase Shifter, Bias Tees, Detectors, Resistors, Power Meters

Signal Core

Up and Down Converter up to 26.5 GHz, Signal Synthesizer to 40 GHz, SMT Synthesizer to 6 GHz.

Taylor Microwave

Power Dividers, Couplers, Hybrids, Solid State Attenuators, Digital & Analog Phase Shifter, Pin Diode Switches, DRO's, Bias Tees, Duplexer to 50 GHz

TMYTEK

5G Beamforming Boxes, 5G Up/Downconverter Boxes, Microwave Components, PLO's, Beamforming Development Kits

Vaunix

USB Components to 20 GHz, USB Signal Generators, USB Digital Attenuators, USB Phase Shifter, USB Switches

Wenteq

Amplifier to 50 GHz, Ferrite Components, Attenuators & Terminations, Waveguide Components, Connectors and Cable assemblies

Wright Tech

Amplifiers up to 96 GHz, Multipliers, Mixer, Up/Down Converters

XMA

XMA offers Attenuators and Terminations up to 50 GHz, DC-Blocks, Couplers, Power Dividers, Equalizer and Cryogenic Attenuators.
