

Your supplier for RF/microwave components

Electro-Optic Modulators up to 65 GHz

Phase Modulators up to 40 GHz

Wavelength 780nm, 850nm, 1064nm, 1310nm, 1550nm

Intensity Modulators up to 50 GHz

Wavelength 780nm, 850nm, 1064nm, 1310nm, 1550nm

Thin Film lithium niobate Modulators up to 65 GHz

Wavelength 1550nm

Acousto-optic Modulators, Y waveguide Modulators

Single Side-band Modulators 1-20 GHz

Bias Point Controller, Polarization Controller

Optical modulator Driver/Amplifiers up to 40 GHz

Custom optical modulators upon request
